SCHOOL TRUSTEES' MEETING.

A special meeting of the trustees of Roger Williams University was held in the chapel of the school on Tuesday, May 18th. This meeting was to take into consideration the result of the year's work under the new management or regime as this marks the close of the first real scholastic year. Among the things under consideration was the future of the school in the financial way. Plans were discussed and devised by which money might be raised to further the needed improvements that will conform with the magnificent dormitory for girls now so near completion. The other business before the board, it is stated, was the election of teachers for the next school term. It could not be learned definitely what teachers were elected but it is rumored that practically all the old faculty, from president down, is to be retained and that more teachers, specialists in various studies, would be secured to strengthen the present faculty.

RESOLUTIONS.

Since in the midst of life, there is death, and after death a resurrection, and
Whereas, The Lord in his own way and time has taken from our midst our beloved sister, Pheba Williamson, and yet while we deeply lament her loss, and fully realize that we, too must bow to the will of the Almighty, therefore, be it
Resolved, That we humbly bow in submission to the Lord's will. Our beloved sister Pheba Williamson was a true Christian lady; her career a member of our order was one full of faithfulness and honesty; always willing and ready to perform all duties well. She was a firm believer in the Golden Rule and exemplified the fact by trying to do to others as she would have them do to her. Be it further
Resolved, That it is but a just tribute to the memory of our departed sister to say that in regretting her removal from our midst we mourn for one who was in every way worthy of our respect and regard.
Resolved, That a copy of these resolutions be spread on the record book of Household of Ruth No. 111, and a copy sent to the family. May the Lord ever guide and keep them in prosperity, and let us all hope to

meet her again in that never fading temple where friendship never breaks up and Sabbath has no end.

WONDERFUL INCREASE IN BANKING BUSINESS.

The Alabama Penny Savings & Loan Co., of Birmingham, Ala., increase Capital Stock to \$100,000.

The meeting called for the purpose of increasing the stock of the Alabama Penny Savings & Loan Co., took place March 5, 1909. It was voted to increase the Capital Stock to \$100,000.

The Board of Directors reported to the stockholders that a settlement had been made with them before the New Stock was to be sold. This settlement consisted of a \$12,500.00 distribution, accruing from Real Estate and a Surplus Fund to be given in the shape of New Stock, to the Old Stockholders, leaving \$3,000.00 as a Guarantee Fund. This is in addition to the 6 per cent Dividend declared at the regular annual meeting on January 22nd, 1909.

We want to place in the hands of the masses our New Stock. Dividends and distributions have been made to the old Stockholders, since the organization of the bank to an amount of over twice the original value of the Old Stock.

This fact in itself is sufficient to recommend our New Stock, for with increased Capital we will be able to realize greater profits.
